12/10/2020	Web	Please please please make a much lower bridge for those deathly afraid of heights.	7			A lower bridge please.
12/10/2020	Web	An alternative solution is greatly needed pertaining to the corssing of the Scary Bay Bridge. The safety, congestion and heigh of this bridge is very scary. A drive on ferry service would be wonderful alternative then driving across the Bridge. I travel the bridge very often and get very nervous to cross it. It's a very congested bridge, that needs more lanes.				Crossing this bridge is very scary. Alternative crossing is much needed.
